

DO YOU NEED A FULL-TIME OR PART-TIME FD?

Do you require financial support but are unsure where to start? Which service does your business need, which will be most beneficial for your business? Follow this flow chart to see which service we'd recommend for you.

Getting access to expert Finance professionals, within budget, can be a challenge as an SME. At The Finance People, we provide full-time or part-time FD and FC services to SMEs who need that expert financial guidance. Talk to our team to explore our services and find out which model best suits your requirements. Please note, this flowchart is a guide only and we'll conduct a bespoke audit following your consultation.
